BODY OF PHILIP A. DEFFER HERE

ELECTRICIA'N WAS ON WAY effort to establish her identity. HOME FROM PHILIPPINES.

Day After Landing at Seattle. Mason of High Degree.

Philip A. Deffer.

The remains of Philip A. Deffer, who died October 6 in Seattle, Wash., arrived in Washington yesterday afternoon and were taken at once to the family residence, No. 413 9th street southwest. The funeral will take place from Epiphany Episcopal Chapel tomorrow afternoon at 2:30 o'clock. Rev. Patrick Murphy, vicar of the chapel, will conduct the funeral clothing. service. The Masonic order will have charge of the service, the deceased havthe Scottish Rite branch of the order, He was a member of Dawson Lodge, No. 16, F. A. A. M.; Lafayette Chapter, No. 5, R. A. M.; Columbia Commandery, No. 2. Knights Templar, and Almas Temple, Mystic Shrine, of the Masonic body. He was also a charter member of Electrical Workers' Local Union Nos. 26 and 148, and of Andrew Jackson Council,

No. 6, Jr. O. U. A. M. For over twenty years he was chief electrician of the Postal Telegraph Company, and during the past four months had been employed by the government again yesterday and went

Rebels Dispersed, Quiet in Ecuador. Ambado, was composed of seventy men. The prisoners taken included Teran's careful scrutiny. The place where the staff. The government also captured a bullet had entered was found on the quantity of arms and papers showing the right side in front of the ear and at revolutionary plan. All is quiet here.

Painful Dyspepsia

A FORM OF INDIGESTION CAUSED BY GAS. TRIC IRRITATION FROM UNDIGESTED FOOD IN THE STOMACH.

also a very common affection. Pain, generally along with the pain, soreness at the pit of the age, but he thinks she was between soreness is permanent. The tenderness is commonly restricted to a spot in the middle line of the body, immediately below the breast-bone. It often extends upward under the bone, which consequently feels sore on pressure, or the tenanomalous sensations complained of after taking they were of the most expensive style. quality of the meal. When the stomach is empty, a sensation of craving or emptiness gives most trouble. This often causes a false appetite, which, by inducing the person to eat heartily, aggravates the sufferings. Thirst can leartily, aggravates the sufferings. Thirst genthe condition of the stomach can often be cor-

from stomach pain caused by indigestion and gastric irritation to use such drugs as chlorodyne, Hoffman's Anodene and other "pain killers" for its relief. Such treatment is a great mistake. While these drugs afford temporary relief to the dyspeptic pain, they have no effect whatever

the stomach, there is no further possibility of piece. the occurrence of this disagreeable form of dyspepsia with its painful manifestations and other concurrent symptoms. All of the irritation of the stomach lining and stomach nerves, as the s quickly done away with.

But not only is the form of dyspepsia which is accompanied by pain cured through the use which stomach pain does not occur, but where there are many symptoms equally disagreeable, discomforting, disconcerting and discouraging. Stuart's Dyspepsia Tablets contain, in a highly concentrated form, powerful anti-dyspeptic ingredients, which digest rapidly and thoroughly

NO REVOLVER IS FOUND

Her Scarf and Waistcoat Such as Motorists Wear.

JEWELS MAY IDENTIFY HER

Her Undergarments All of Costly Materials.

NEW YORK, October 20 .- Developments yesterday in the case of the woman found dead near Islip, L. I., indicate almost conclusively that she was murdered. The authorities are making every

In one of the most lonesome spots on the south side of Long Island, buried in a tangle of scrub oak and pine, midway Taken Ill on Board Ship and Died between Islip and Brentwood, the skeleton of the woman was found Saturday afternoon? Apparently she had been shot.

> texture of the clothing. That she was slain for the purpose of robbery is unlikely, for jewelry she had worn was found with the clothing. How long the body had lain there is a matter of conjecture-possibly a year. Only the upper portion of the trunk, the thigh and hip bones, the bones of the

> fingers and feet and the skull were found. The various portions of the skeleton had been scattered over a wide area. Many of the bones wer not found. The vertebrae and arms are missing.

> Taken There in Auto, Perhaps. The woman wore an automobile scart. This and a cardigan waistcoat such as is used by woman autoists suggested she had been taken to the place in a motor

> It is a two-mile drive over country roads to the spot where the skeleton lay. The topography of the country is characteristic of that part of Long Island. Far and near scrub oak stretches, with here and there a lonely pine to break the monotony, or a clump of fern. Houses

> are few and scattered. In this neighborhood the Moffett Realty Company opened a tract of several hundred acres about three years ago. Streets were staked off. A narrow road running through the midst of the scrub oak is known as Broadway, and at right angles to this a thoroughfare twelve feet wide connection with the character of the country, the metropolitan names are somewhat incongruous. Along Broadway straggles the hamlet

> of Brookville. The patch of oak in which

the skeleton lay runs about 100 yards

along 28th street and fifty feet back from

Boy Came Across Bones

Sunday afternoon Joseph Schmidt Suddenly he hurried back in great excitement. He had found the bones of a man, he told his father.

The father accompanied him to the place he pointed out. There were the blackened bones and a heap of charred

Schmidt called his wife. Then their nearest neighbor. John Parks, who lives half a mile from them, was summoned. ing attained the thirty-second degree in Parks carried the information to Deputy Sheriff Nicholas Havens of Brookville. Havens had a look at the skeleton, after which be notified Undertaker Charles Daily at Islip, and Daily telethe deputy sheriff went back that night, but it was very dark and they could

make nothing of the bones. The next day they saw that the victim was a woman. That she had been murdered was not made clear until yesterday afternoon. At that hour the skeleton lay in Daily's undertaking establishment.

Bullet Found, But No Revolver. in the Philippines. He was on his way stretch of territory with a squad of home from the islands aboard the trans- men. He was showing them where he port Sheridan when he was taken ill. He had picked up the skull when he utlanded in Seattle October 5 and died the tered an exclamation of surprise and Then a hunt was begun in earnest for

a revolver. The scrub oak and fern were trampled down all about the spot. Every GUAYAQUIL, Ecuador, October 20 .- possible hole into which a revolver The rebel force under Gen. Teran which might slip was examined. There was no was dispersed by government troops near weapon. This disposed of the theory of

The skull was next subjected to most the point where the jawbone hinges. The course of the bullet was not easy to

One peculiarity about the case is that the woman's skirt is missing. It may have been consumed in a fire which bad swept over the scrub oak, or it may have been removed by a murderer. There is some belief the fire had been set to conceal evidence of the crime. As soon as Undertaker Daily had removed the body to his establishment at No kind of dyspepsia is better marked than Islip he made a careful examination of that known as "painful indigestion," and it is the clothing and the teeth, of which there were twelve left.

It was hard for him to get at anything of a dul character, is felt after meals, and like an accurate estimate of the woman's stomach often exists, and in some cases the thirty-five and forty. Her height he guessed at five feet seven inches and her weight as 130 pounds.

Corsets, Waist and Scarf of Silk. The woman's corsets were of black derness is felt toward either side. This tender- silk of the kind which are made to ness is commonly associated with an unpleasant order. They were richly embroidered feeling of heat-"a burning sensation"-as it is and laced in a peculiar fashion as well termed by some persons. There is also a "gnaw- as tied with ribbons. An expert in woming" and "dragging" as well as various other en's garments who examined them said food, and generally within an hour after eating. The shirt waist was of black taffeta As might be supposed the intensity of the silk with applique embroidery and the symptom is proportionate to the quantity and automobile scarf was of tan silk. The

a black bead head was found near the erally causes much annoyance; heartburn, water- skeleton. The size of the shoes was either brash, acidity, nausea and headache are not in- four and a half or five. The fire had frequent attendants. The tongue is usually partially consumed them and foxes or coated, and from a mere inspection of this organ perhaps dogs had gnawed the leather. The name of the maker had been obliterated. It was the opinion of Undertaker Daily that the fillings of the teeth were of the costliest k'nd. The jewelry showed skilled workmanship. The chain which held the locket was delicate and the setting of the locket was a small but

perfect stone. The watch had stopped at 12:30 o'clock, The initials on the inner case had been scratched with the point of a pin evidentSTUART'S DYSPEPSIA TABLETS remove the cause. By completely digesting all the food in of jewelers who had repaired the time-
